Natural landmarks in Northeastern Penna.

Four facilities in Northeastern Pennsylvania have been identified as natural landmarks by the Secretary of the Interior and included on the National Registry of Natural Landmarks. They are:

—Lake Lacawac, in Wayne County.

—Glens Natural Area in Ricketts Glen State Park, in Luzerne County.

—Tannersville, Cranberry Bog, five miles northwest of Stroudsburg in Monroe County.

—Hickory Run Boulder Field, at Hickory Run State Park, five miles south of White Haven, in Carbon County.
